Supplemental Application

PGY1 Pharmacy/PGY2 Pharmacotherapy applicants to The Ohio State Wexner Medical Center program must upload responses to the following prompts. Responses should be limited to 250 words per prompt.

- 1:** Tell us about one of your completed inpatient direct patient care rotations including the service rounding style, structure of your day, number of patients independently followed, your role on the team, and your day to day interactions with your preceptor.
- 2:** Tell us about your completed or in progress research project including your role, primary objective, patient population, and brief results if available.
- 3:** Write about something you would like us to know about you that you have not been able to convey elsewhere in your application.
