Supplemental Application

PGY2 Informatics applicants to The Ohio State Wexner Medical Center program must upload responses to the following prompts. Please limit responses to 400 words per prompt.

Q: Why have you chosen to pursue a Pharmacy Informatics career? What exposure to Pharmacy Informatics have you had so far?

Q: Tell us about a moment or experience in your pharmacy journey that sparked curiosity or shaped your thinking. How has that influenced the direction you're hoping to take in your career?

Q: Pharmacy informatics continues to shape the future of healthcare. Reflecting on your experiences and aspirations, how do you envision your role evolving in this space? What aspects of informatics have captured your interest, and how have your past exposures influenced your perspective?
